

maf::math::permutation
_matrix

```
graph LR; A[maf::math::permutation_matrix] --> B[maf::math::Matrix::at]; A --> C[maf::math::Matrix::size];
```

A diagram illustrating a variable pointing to two methods. On the left, a gray rectangular box contains the text 'maf::math::permutation_matrix'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing the text 'maf::math::Matrix::at'. The bottom arrow points to another white rectangular box containing the text 'maf::math::Matrix::size'.

maf::math::Matrix::at

maf::math::Matrix::size
